AD

MINISTRATION

North Hagerstown High School
Hagerstown, Maryland
Class of 1960

Dear Seniors:

You are bringing your high school career to a close. You are, I am sure, leaving North High with mixed emotions. You are probably uncertain about the future, the future of our society and your own future as a member of that society. We, your teachers and parents and I, have watched you make the change from an adolescent to a mature, young adult. You have achieved many fine goals during your high school career. You have, in the process, cultivated work habits and behavior attitudes that will be an asset to you throughout your life. We sincerely hope that the variety of experience that you have had at North High will be of great value to you as you take your next steps into the future.

The friendships that you have cultivated here will be an everlasting joy to you. Make every effort to maintain these friendships and strive to win new friends as you move on to your chosen field of endeavor. As a student you have displayed great loyalty to your school and an appreciation for the opportunities that have been yours. A continued expression of your loyalty and appreciation will bring you great satisfaction and your school much prestige.

May we wish you all success and happiness as you take your respective places in the world of tomorrow.

Sincerely,

Herbert C. Logsdon

SENIORS

Most Popular

JEAN WILES . . .

*The girl with personality
Pep, vim, vigor, vitality—
Hats off to our Vice President
Whose qualities have been well-spent.*

TOM MARTIN . . .

*A smile which proved that he used "Gleem"
An important man on the football team—
These qualities seen through our looking glass
Made him most popular boy in our class.*

Best Looking

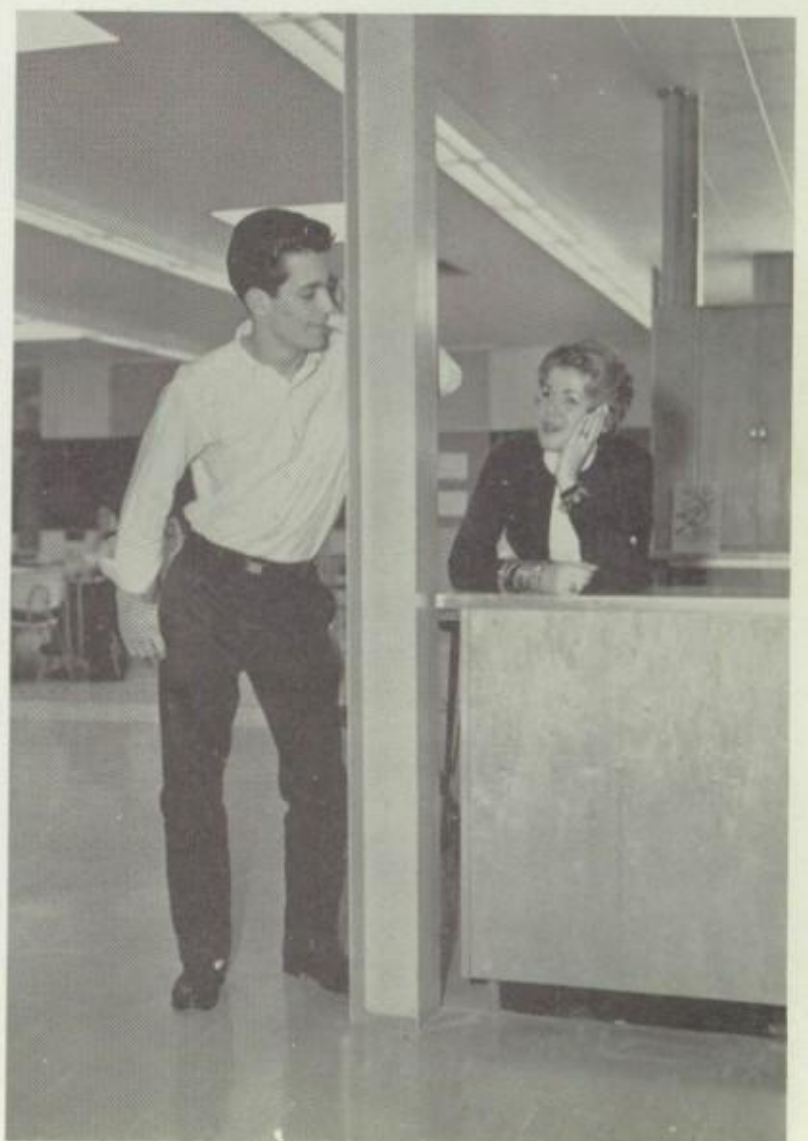

FRAN DIEHL . . .

*Blonde hair, blue eyes, plenty of class
No wonder the football team made a pass
And made indisputably clear
Their choice for Homecoming Queen this year.*

KENNY RIDENOUR . . .

*A football hero, a basketball whiz
That's what our Kenny Ridenour is.
And most of the girls seem to agree
He's as good looking as he can be.*

Most Dignified

PAT LINDSAY . . .

*She's so chic and "on the beam"
The object of affection in many a dream
With all that poise and ability
Success for her should come easily.*

MURRAY REED . . .

*The kind of a fellow we all like to know
Friendly, thoughtful and "simpatico."
It's easy to see how his classmates could be
Impressed by his kindness and dignity.*

Most Likely to Succeed

SCOTTIE HANSBROUGH . . .

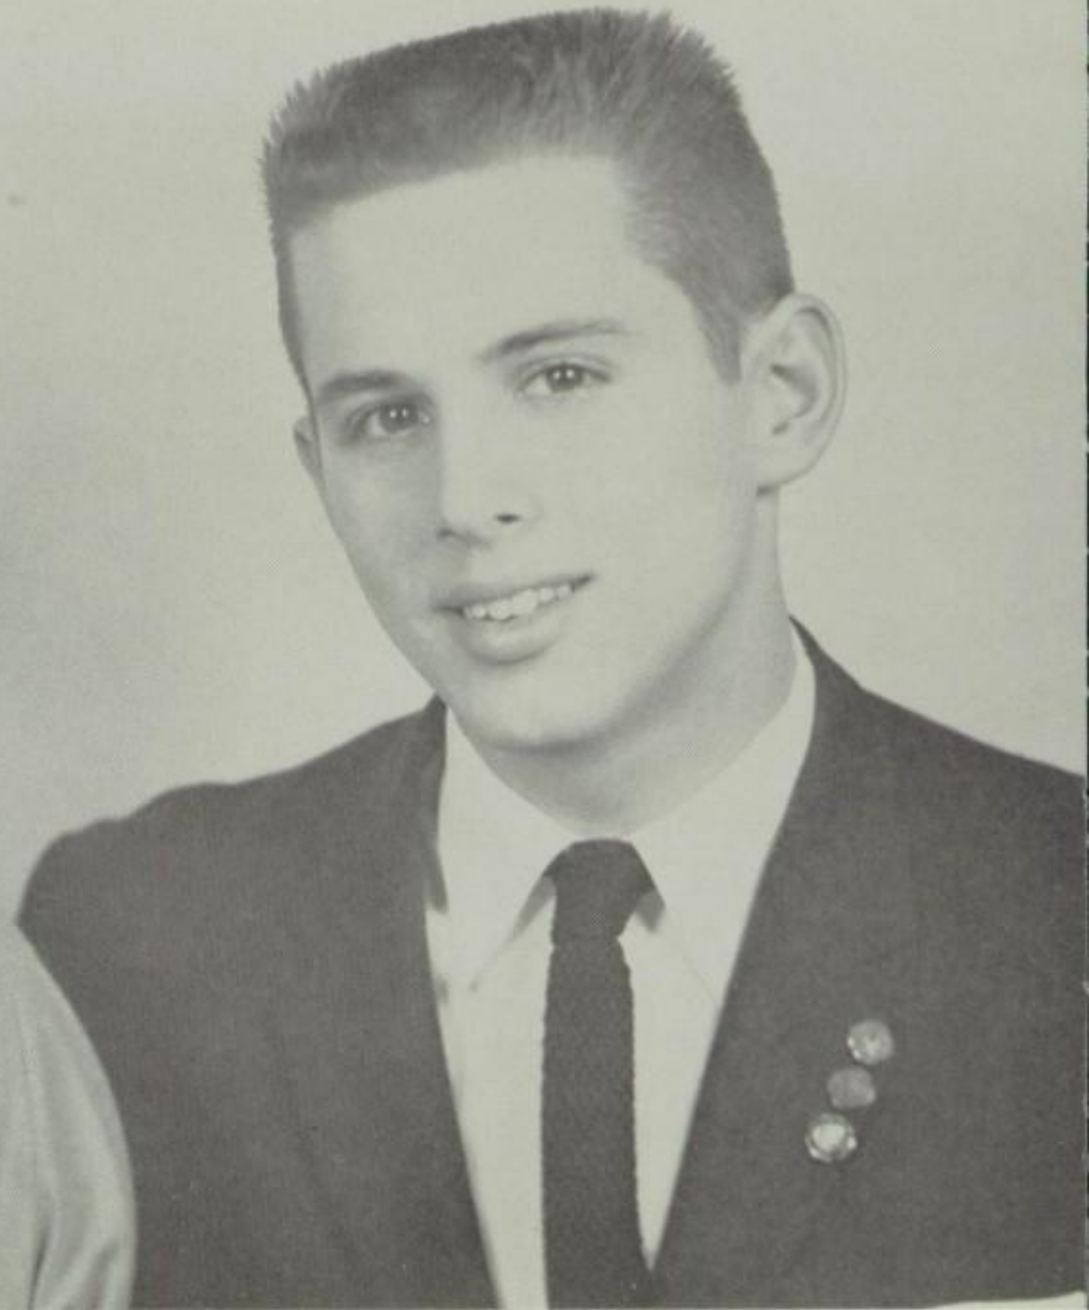

*A straight "A" student of some reknown
Whose ability will ne'er let down.
Who's sure to meet with much success
And certain to reach the top—no less.*

BILL SCHILDT . . .

*Ambitious, determined—and probably
An attorney we shall eventually see
As successful as our predicted belief
He'll achieve heights far beyond Editor-in-Chief.*

Most Musical

SYLVIA IRVINE . . .

*Music hath charm, so they say
Sylvia will help keep it that way
A real nice gal with talent galore
If opportunity's smart, it will knock at her door.*

RONNIE SPESSARD . . .

*We have a T. Dorsey of our own
In Ronnie Spessard with his slide trombone.
We hope to see this talent grow
And someday become a musical pro.*

Most Artistic

MARY EMBLY . . .

*A great art talent is very rare
But Mary certainly has her share
Contributions she made could only be
Matched by her winning personality.*

WAYNE STOUFFER . . .

*Artistic services are not easy to find
But our class was lucky in having the kind
Of fellow who in a pinch could produce
Artistic results for each special use.*

Most Athletic

NANCY HUFF . . .

*When the varsity teams found things getting rough
They could always count on our Nancy Huff
To spearhead the drive and turn the tide
And make us feel glad she was on our side.*

TOM HAWKINS . . .

*Honor student, King of Sports
A real headliner in athletic reports
Contributed mightily in team victories
On both football and basketball varsities.*

Class Wits

BARBARA RIDENOUR . . .

*Her dramatic ability and wit to spare
Make Barbara welcome anywhere.
Intelligence and gaiety—a rare combo
Make her a refreshing person to know.*

JOHN WARNER . . .

*Crazy and carefree—that's our John
But that's how we like him so let's keep on
Singing the praises of our class clown
Whose contagious smile could remove any frown.*

Best All Around

SUSIE HOFFMAN . . .

*Words fail to describe this popular lass
Voted "Best All Around" by our class
She's intelligent, cute, bright and gay.
We wouldn't have her any other way.*

JOHN SNYDER . . .

*A coveted title to be sure
And one well worth striving for;
Good athlete, student—was a cinch to be found
And chosen by his class as "Best All Around."*

Okinawans Invade North High

"The Teahouse of the August Moon" chosen as this year's Senior Class play was presented on February 18 and 19. The play written by John Patrick involves the building of a school house in Okinawa with "ne'er do well" Captain Fisby as head of production. The building turns out to be a teahouse where Lotus Blossom, a geisha given to the Captain, teaches the newly organized Ladies' Democratic League to dance. The festivities are interrupted by the irascible Col. Purdy but when Washington approves of the plan, the natives begin to rebuild the teahouse.

COACHES — R. Johnson, T. Carroll, J. Coover, M. Henry

For eleven years the Hubmen have been coached by Mel Henry and through his efforts North High has an excellent record. In the three years that CVAL has been organized the Hubs have clinched the title twice. North High boasts one state basketball championship in the last ten years and has three times been in the final game.

Coach Henry started his twenty-three year coaching career at Central High. He then moved to Fort Hill and for three years coached the Sentinels. Before he came to North High Mr. Henry coached the backfield at V.P.I. We are sure that everyone at North High appreciates his fine record and outstanding service to the athletic program.

ROW 3 — V. Guilmino, F. Elliott, T. Martin, B. O'Brien, N. Ebersole, E. Auxt, D. Forsythe, R. Staubs, B. Higgins, Coach Coover, Coach Henry

NORTH HIGH 14 — SOUTH HIGH 2

In the annual intra-city game before seven thousand enthusiastic and rival fans the Hubs defeated the Rebels. The South couldn't hold back the rugged Hubline and scored just two points on a touchback. Ridenour sneaked over from the three yard line for the Hubs' first score. Tom Martin ran an intercepted Rebel aerial fifty-five yards back for a touchdown. With a 14-2 score the Hubs clinched the city championship.

NORTH HIGH 0 — YORK 0

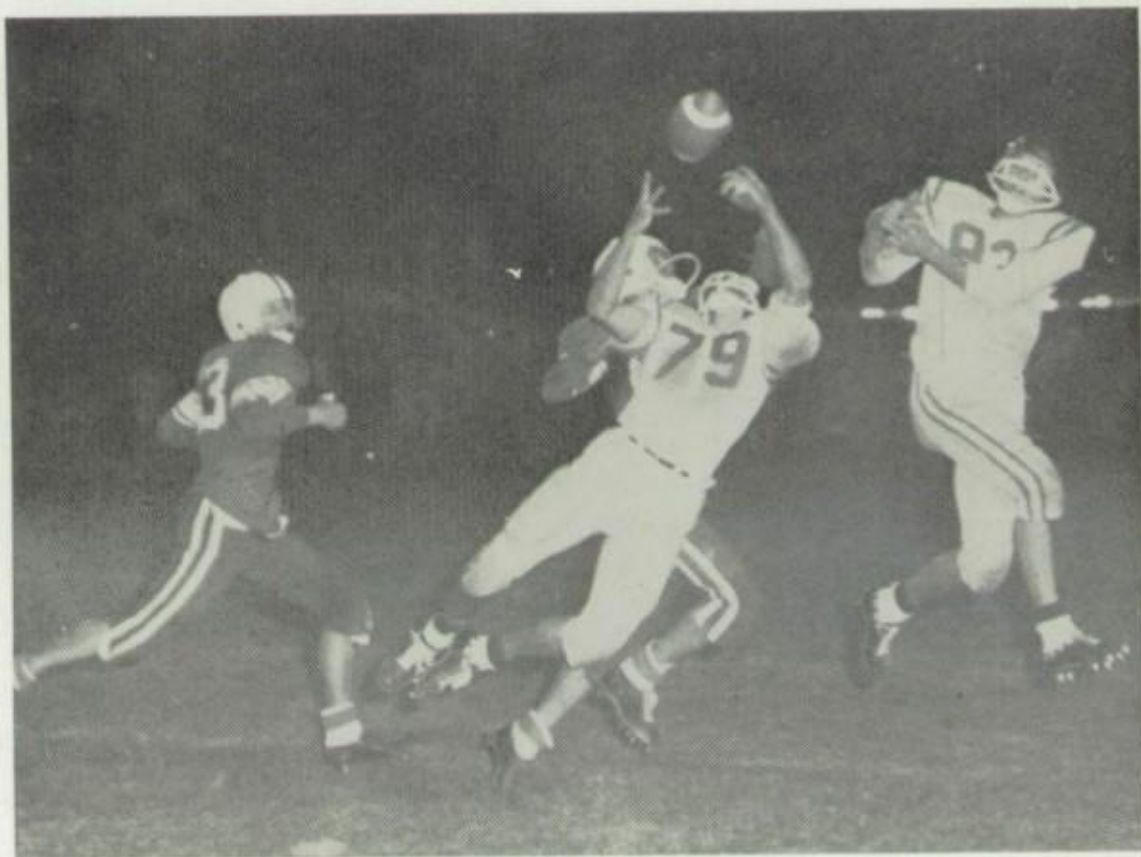

The Hubs opened the season at York and managed to hold William Penn to a stalemate. Nearly four thousand fans were on hand for this all important first game. The Hub defense, outstanding throughout the game, held back a powerful York offense.

WESTMINSTER 21 — NORTH HIGH 13

Although the Hubs controlled the ball for the major part of the last half and scored two touchdowns they were defeated by a strong Westminster team by a 21-13 score. This was the first CVAL tilt of the season for both teams.

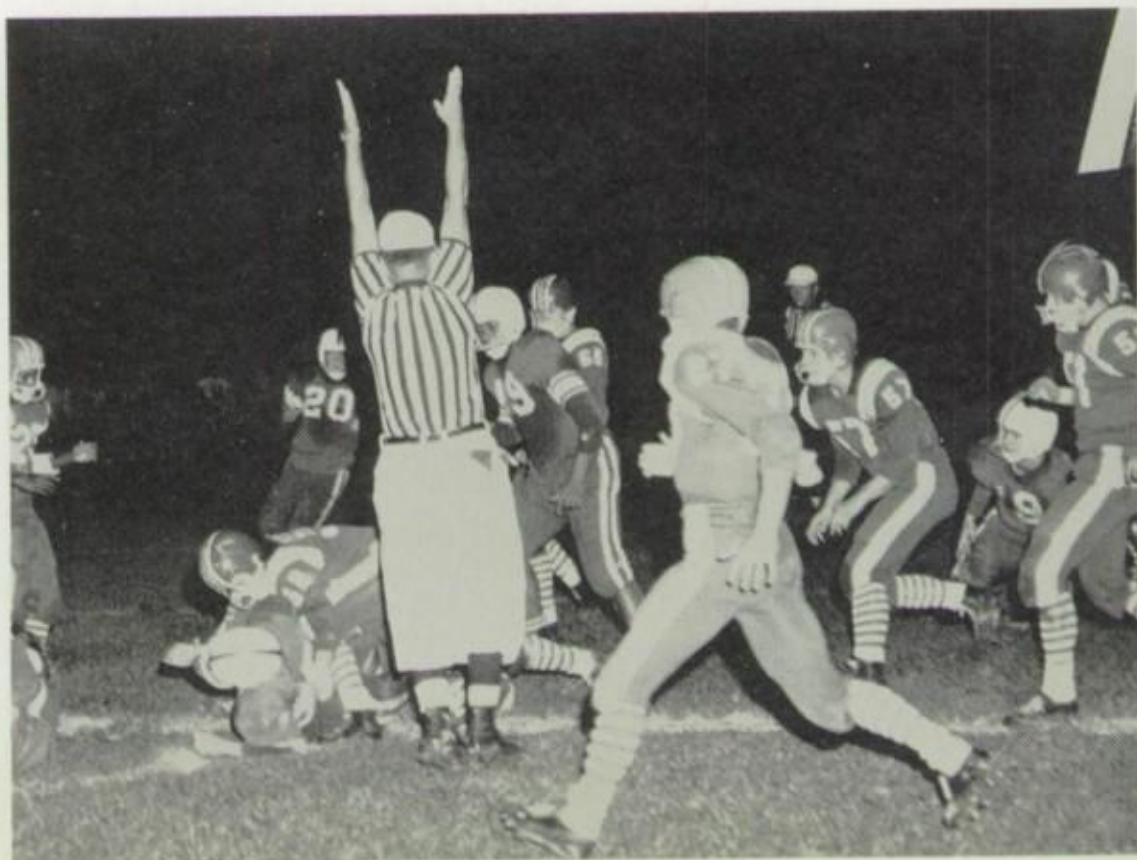

ALLEGANY 39 — NORTH HIGH 20

The Hubs, outmatched by a strong Allegany offense, lost to the Campers by a 39-20 score. North High came into the scoring column in the second quarter but failed to overcome the Allegany advantage.

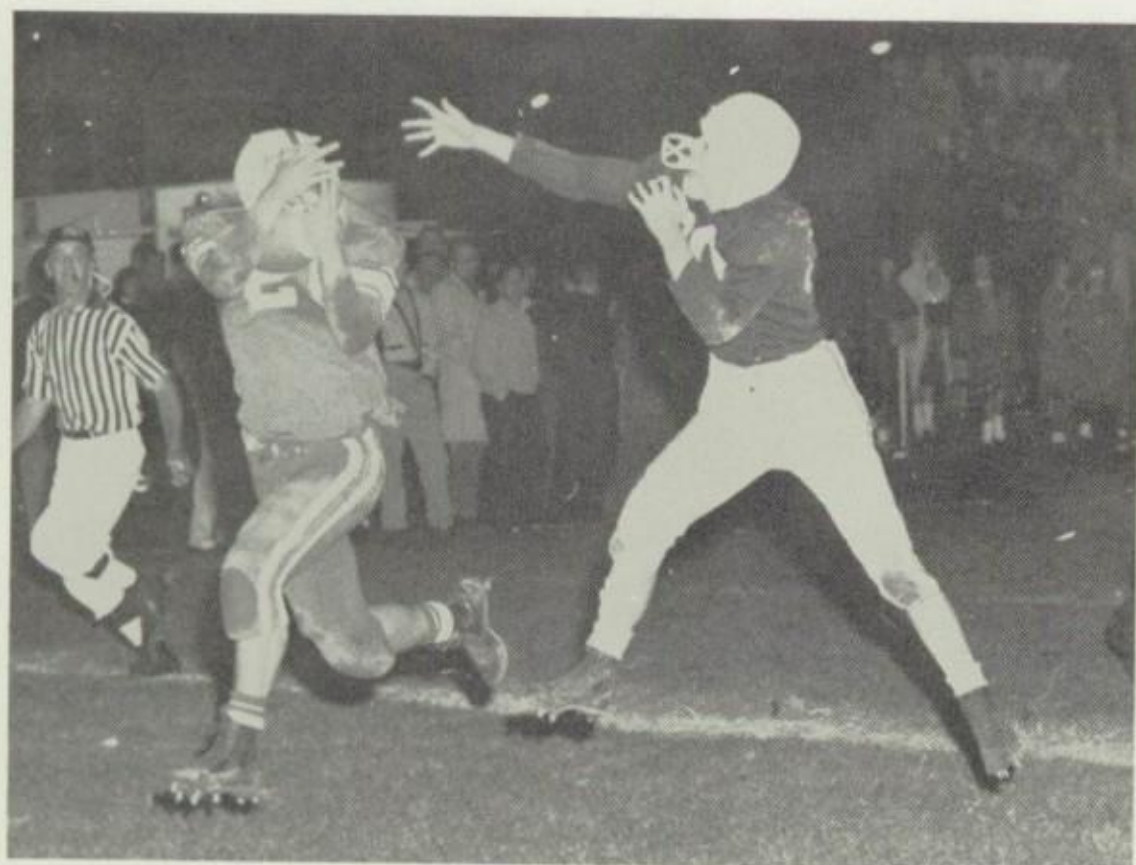

NORTH HIGH 52 — MARTINSBURG 13

The Hubs traveled to Martinsburg and soundly defeated the Bulldogs 52-13. North High, controlling the ball most of the game, scored eight touchdowns to Martinsburg's two.

FORT HILL 20 — NORTH HIGH 13

Before many tense Sentinel fans the Hubs dropped a heartbreaker to Fort Hill. Tom Hawkins matched the Sentinel touchdowns twice and left the score tied at 13-13 in the third quarter. The Hubs outplayed their rivals but were overcome by a late touchdown. Thus the final score was 20-13.

NORTH HIGH 21 — WAYNESBORO 0

Battling the mud and fog the Hubs shut out the Waynesboro Indians 21-0. Tom Hawkins paced the Hubs by scoring all three of its touchdowns, one on a pass from Ridenour. In spite of the weather the loyal fans were there to see their Hub team turn in a fine showing.

CHAMBERSBURG 18 — NORTH HIGH 13

North High dropped a close and disappointing game to Chambersburg at Homecoming. The Hubs led the game until the last two minutes of play. Costly fumbles and dropped passes resulted in the Hubmen's downfall. A late Trojan touchdown left the score 18-13.

NORTH HIGH 7 — FREDERICK 6

Hoping to have an even season the Hubs journeyed to Frederick where they defeated the Cadets 7-6. The game was nip and tuck with each team scoring a touchdown. North High ended the season with this important victory.

successive years of North High triumphs. Bouncing back into the victory column, the Hubs triumphed over Westminster 48-33. North High after a strenuous effort pulled away in the last quarter to win easily.

On December 22 North High coasted to a one-sided victory over Boonsboro with a 71-29 score, the Hub reserves played nearly three-fourths of the game. A week later the North High quint was overcome by the Waynesboro Indians 49-36. Outscored from the field, the Hubs bowed in defeat. For the first time in many years the varsity Hubmen were defeated by the Alumni 48-42 on the following day. When they travelled to Frederick January 8, the Hubs dropped a one-sided 54-30 decision. This defeat put the Hubs into fourth place in CVAL. Our North High team was upset by an overpowering Martinsburg team 70-49. Play-

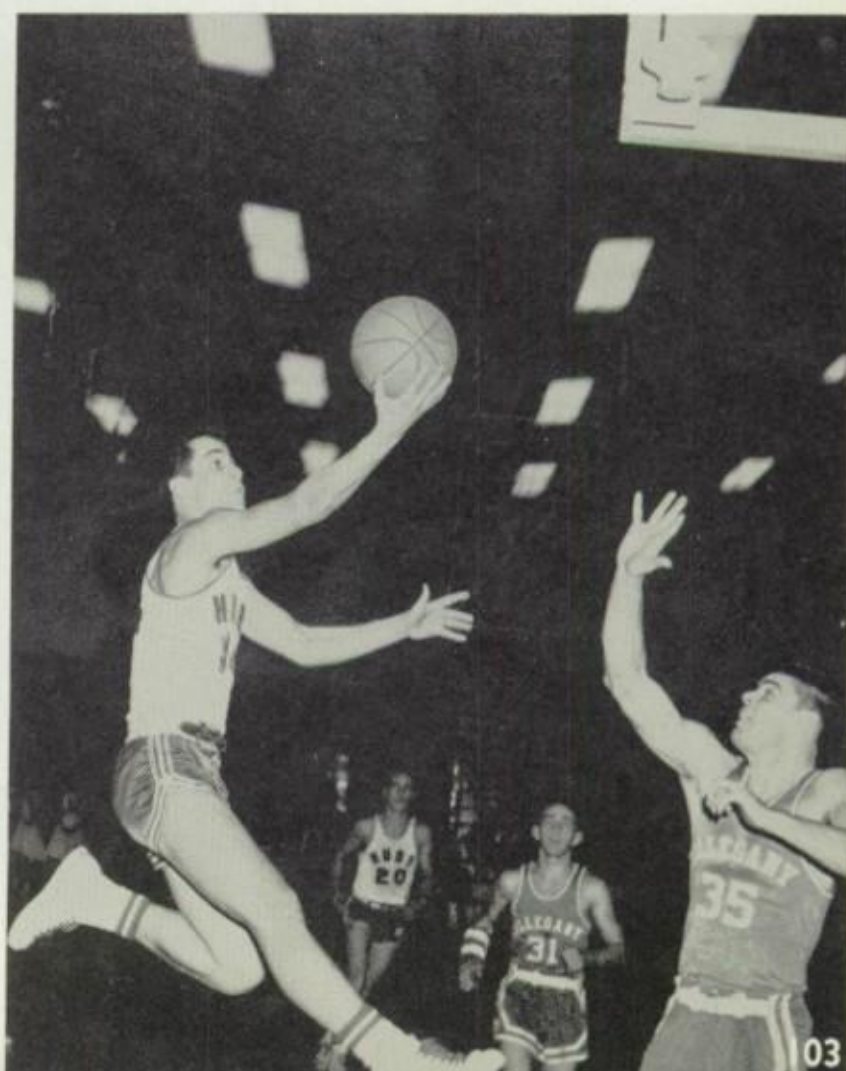

ing well the first-half, the Hubs managed to stay within three points of a Martinsburg powerhouse.

It was sweet revenge for the North High cagers on January 12 when they defeated the St. Maria Goretti team by a 41-31 score. The Saints last year spoiled our 20 game winning streak. Boonsboro wasn't up to defeating the Hubs who won an easy 52-33 victory. North has now divided its first dozen games, pushing its record to the .500 mark. After defeating the Fort Hill Sentinels in an overtime game on January 27, North High moved into a tie for second place in the CVAL race. With three seconds to go, Riser's one-handed shot brought the game to a stalemate. Downing the Owls for the second time this season, the Hubs wrapped up another triumph with a 49-44 score.

'59-'60 Basketball Season

In the first CVAL tilt of the season the Hubs got off to a good start by defeating Allegany 47-38. North High made its debut with last year's number two team starting. Next on December 12 the Hubmen travelled to Cumberland where they tumbled the Fort Hill quint by a 48-39. The Hubs led by 13 points at half-time and kept this edge throughout the game. The Hub five received their first setback when they were defeated by Waynesboro 46-31. North High outplayed their opponents but were unable to close the gap of the early score. Our crosstown opponents got off to an early start and overthrew the Hubs 55-43 on December 16. It was the first victory for the Rebels after two

Five days later in a disheartening clash with the league leading Martinsburg, the Hubs fired up efforts were in vain. Ahead the entire game, North High faded in the final minutes and bowed to the victors 58-54.

February 20 was a red letter day for the Hubs when they triumphed over the Rebels 46-42. This victory clinched the Washington County Class A and City Championships for North High. Senior Tom Hawkins, strong at the foul line and on the floor, sunk 23 of the 46 points. This triumph marks the third consecutive year that North has retained the city crown. Ignoring superstition, the Hubs grabbed victory number 13 overwhelming the Campers 55-46. North High closed out its

Westminster never got close to the Hubs who held a lead all through the game. On February 5 Hub hopes were down until the third quarter when North High caught fire and bottled up the Cadets with a full court press. After waging this uphill battle, they upset Frederick 54-47. By edging the Rebs 38-36 North High made a City Championship playoff a necessity and got revenge for the setback handed them by South High earlier in the season. This furious comeback was no doubt inspired by the red attire of the student body. February 12 found the Hubs on the State Armory floor where they took the lead in the city title race by defeating the Gaels 40-34. In this see-saw game the score was tied on seven occasions.

regular season on February 24 and ended up in a tie for second place in CVAL competition.

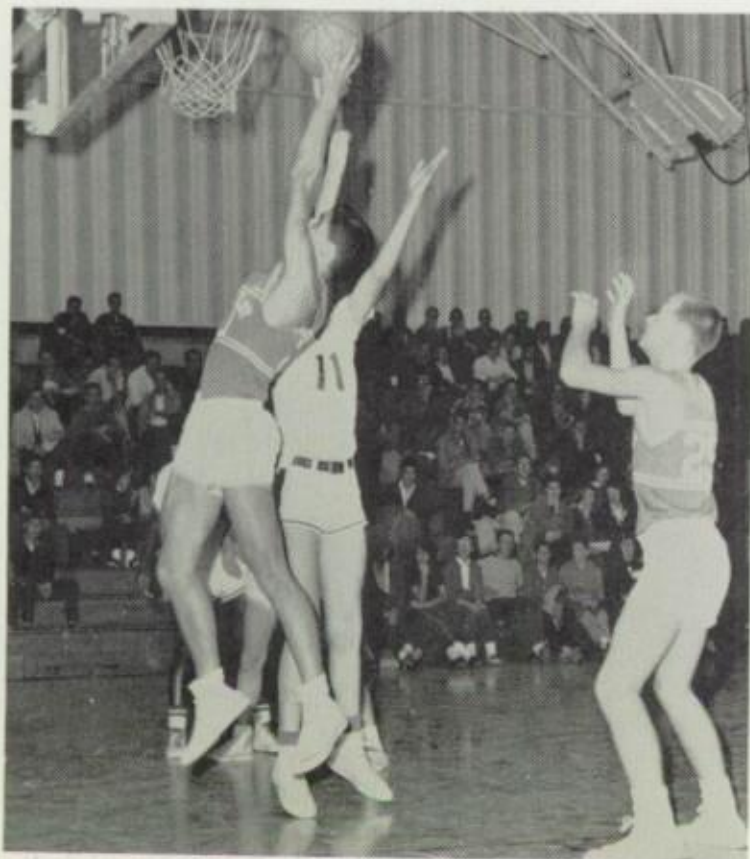

After Coach Henry found the winning combination, the slow starting Yankee team came out from behind to finish with a 13-7 record. North High and Allegany emerged with identical 6-4 records in a tie for second place notch in the Cumberland Valley Athletic League. Of course, this good record was the result of the efforts of the whole team but outstanding among the Hubmen were seniors Tom Hawkins and Bob O'Brien and two promising juniors, Richie Hawkins and Jim Riser. Now the Hubs have won the right to play the Allegany Campers in the Maryland State District 1 Tournament for the third straight year.

'60 Choral Department

North High's choral department is very fortunate in having two fine directors; Mr. Makell, director of the Freshman Chorus, Freshman Ensemble, and the Boys' Glee Club; and Mr. Peterson, director of the Sophomore, Junior and Senior choral groups.

This year the entire choral department diligently practiced for the opera "The Pirates of Penzance" which they presented in May. This opera by Gilbert and Sullivan concerns the adventures of a boy mistakenly indentured as a pirate.

In addition to presenting special programs at school the choruses have performed for local clubs, churches, and P.T.A.s.

North Hagerstown

Comparing musical notes are Band Director, John Fignar and Drum Major, Bradley Smith.

As always, North High's top notch band excelled in their performances in parades, at football games and other events. Our marching band, led by Drum Major Bradley Smith, did not compete for prizes in the Mummers' and Christmas Parades but won first prize in the Veterans' Day Parade.

The excellent concert band under the direction of Mr. John Fignar received the First Chair of America Award. Only two hundred out of two thousand bands claim this coveted title, awarded to outstanding band directors and organizations.

After long months of practice throughout the school year the band presented a spring concert, where they were honored with the presence of Dave Weber, clarinet soloist from the NBC symphony orchestra. The band played "Italian in Algiers" by Rossini and "Raymond Overture" by Thomas as well as many other outstanding selections. In May our band participated in a Spring Festival, along with North Hagerstown's other musical organizations.

Queen Fran and her royal court . . .

'60 Homecoming

Who would be Homecoming Queen? Not many knew but the most surprised of all was the queen herself, FRAN DIEHL. On October 30 at the annual homecoming assembly, FRAN, chosen by popular vote of the members of the football squad, was crowned by team co-captains Kenny Ridenour and John Snyder.

That night QUEEN FRAN and the royal court reigned at the North High-Chambersburg game. During half-time ceremonies our football queen was crowned by Becky Dehart Willman, '57's Homecoming Queen.

Following the game a dance in honor of the royal court was held in the gym. Entertainment was provided after the presentation of symbolic gifts given by the various school organizations.

The coronation

The Queen is showered with gifts

Half-time ceremonies . . .

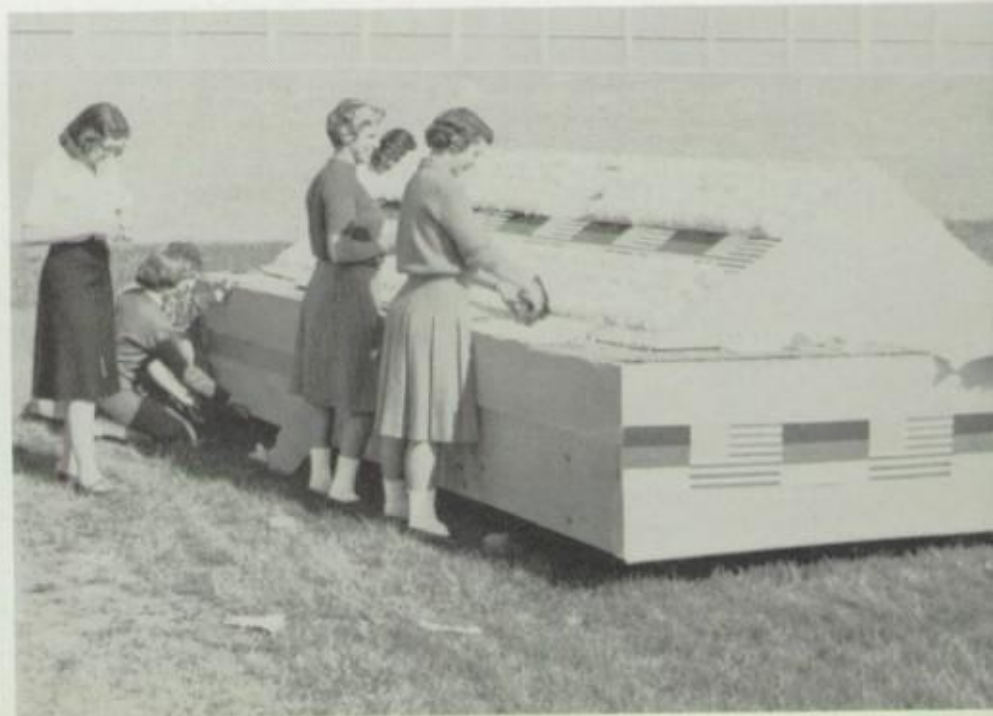

1959-60 . . . A Year

When school opened in September everyone got back into the swing of things. As can be seen here the lockers took on a new appearance, decorated with clever signs and numerous other fancy details. After the arrival of the students, the parents came en masse during American Education Week.

Returning from the summer session of Boys' State were representatives Jeffrey Wyand, Eric Ericson, and Irvin Snider. Some of the advanced readers are seen here diligently working to increase their reading ability in a course newly initiated in October and continued through December.

Also in October the students witnessed a safe driving demonstration proving that you can't "stop on a dime." With the arrival of Halloween and the Mummer's Parade the students worked industriously to decorate North High's Wesel float.

to Remember

After decorating for the parade, all marched proudly through the square to claim honors for our school. Representing North High on the Governor's Committee on Juvenile Delinquency were Bobbie Spigler and Bill Sparrow, both from the Junior class.

A very surprised Fran Diehl was chosen as this year's Homecoming Queen. On November 11 a patriotic Veterans' Day Assembly was held; after which the students were dismissed from school to watch the Vets' Parade.

Recipients of the National Merit Scholarship Letters of Recommendation were Senior class members Alice Stanley, Patricia Carty, Jeffrey Wyand, and Greta Ungar. During November the seniors were busily exchanging name cards and pictures.

In order to promote sales, the Heiskelite staff sponsored an assembly to entertain and to enlighten the students about the school yearbook. Seen here are some participants in the assembly. North High's winners in the Voice of Democracy contest were Scottie Hansbrough, first prize winner; Carole Klimek, second prize, and Nina Herrman, third.

After the seniors received their pictures, the underclassmen anxiously awaited their own picture taking.

Before the Thanksgiving holidays some of North High's students participated in an impressive Thanksgiving Day Assembly.

The annual Thanksgiving Dance, which met with great success, was scheduled during the holidays. Sue Plummer was chosen as this year's queen of Job's Daughters.

The cheerleaders regularly practiced and then cheered for the successful basketball season. One of the season's more unusual games was the Faculty and Junior Varsity game.

After the cheerleaders boosted the cheering at the games, almost everyone danced or just talked at the Hub Hops which followed.

Christmas began early with the shop boys making children's toys and the underclassmen decorating their respective areas.

Mrs. Browne's French classes had their own Christmas program with carol singing and the presence of St. Nick himself.

Both music departments, the choruses of Mr. Makell and Mr. Peterson and Mr. Fignar's brass choir, instilled in all of us the wonderful spirit of the Yuletide season at the annual Christmas Assembly.

To heighten the Christmas spirit, a Snowflake Ball was held climaxing North High's Christmas activities.

After the holidays, classes resumed once again, as did this TV physics class. Pat Lindsay started each day by leading us in morning exercises, followed by the announcements for the day on the new intercom system.

The Sophomores, delighted at the termination of the first semester, gave a party for the entire school in the form of a carnival.

A victory dance was held in February to celebrate the thrilling win over the South High Rebs which brought about North High's title of city basketball champions. Miss Carol Gardner was chosen from the Senior class as Washington County's Heart Fund Queen and was crowned by former Governor Preston Lane.

Other Seniors were literally getting into the act too, by practicing long and hard for "The Teahouse of the August Moon," this year's Senior class play. Intramurals continued all through the year giving the students, boys and girls, a chance to participate in the sports program.

After having been postponed twice, the Sweetheart Dance was scheduled February 26.

At this ceremony King Bill Stouffer and Queen Carole Manious were crowned from the court chosen by the Senior class.

Both King and Queen were presented many gifts from the various classes.
